Under the control of the N. J.  
State Police.

NORTHEAST SCANNING NEWS® is for You!!

Let us know what your favorite frequencies are. Send us a letter about yourself and your experiences in monitoring so we can consider using it for a future Subscriber Profile column!

## HEAR THE 11 pm NEWS AT 8 pm!!

Keep one or more of your local city's TV assignment editor to camera crew frequency in your scanner and you will hear of the events scheduled for televising late each night!!

These frequencies will also alert you to fires, emergencies, etc. that might just be happening in your area!! Then, you can program your scanners to pickup the police and fire personnel at the site.

We personally like TV-3 (Philadelphia) on freq. 450.550. This is in our HH HX-1000 at all times of the year.

Channel 6 is on 455.450 while Ch. 10 uses 455.050.

The news helicopters in Philadelphia use 122.700, 450.850, & 450.350.

## COMING NEXT ISSUE

THE NEW JERSEY STATE POLICE...A list of ALL known state police frequencies in use at the present time!!

DISASTER FREQUENCIES...Do you live within 20 miles of a nuclear power plant, an oil refinery or oil storage facility?...Or, near an airport or busy turnpike?...Learn how to be prepared to program your scanner with the most active and informative freqs. in ADVANCE of an "incident", fire, airplane crash or multi-vehicle accident.

ALICE BRAGSAGAIN...Alice will be writing her "riveting?" occasional columns on her specialty of old time radio!

SECURITY & PROTECTION AGENCIES...Brinks, ADT, Brooks Armored Car, Burns Security, Globe, Honeywell, PINKERTONS...Wells Fargo....

MONITORING WITH MULTI-SCANNER SET-UPS!!

EACH PAGE OF NORTHEAST SCANNING NEWS® IS EQUAL TO ROUGHLY TWO (2) PAGES OF RCMA OR AOSC LETTERS!!
